## **MAKING A SCHOLARSHIP REQUEST**

Each Spring, the AJX Foundation awards scholarships to local DFW area high school seniors providing mentorship and financial support to well adjusted high school seniors who lack the financial means to pursue Higher Education.

The awarded scholarship is \$10,000 disbursed over four years (\$1250.00 per semester), provided the recipient conforms to the requirements set forth by the AJX Foundation Education Committee. The recipient may select any major at any four year college or university.

Scholarship applications may be submitted during the student's senior year in high school. If writing to the Foundation, the student must identify their high school, month and year of graduation, and include their name and home address. Address all correspondence as follows:

**A number of finalists will be selected from the applications received and will be invited for a personal interview. Finalists will subsequently be notified in writing if they will receive the AJX Foundation Scholarship. If a student is not invited in for a personal interview by April 1<sup>st</sup>, they should assume that they are not a finalist and no correspondence will be forthcoming from the Foundation.**
